

Poor and Weak

Catarrh and Bronchial Trouble—
Had no Appetite—Now Better in
Every Way—A Delicate Child.

"Some time since I took a sudden cold and could not get rid of it. Being subject to catarrh and bronchial trouble I coughed terribly. I lost my appetite and grew poor and weak and I did not feel like work. I began taking Hood's Sarsaparilla. In a short time the cough disappeared, I slept well, had a good appetite and I was better in every way. Last spring I was not feeling well, I had no appetite and no strength. I resorted to Hood's Sarsaparilla and soon felt more like work. My little nephew was a delicate child and had a humor which troubled him so he could not rest at night. He has taken a few bottles of Hood's Sarsaparilla and now he has a good appetite and is able to sleep." MISS ABIE J. FREEMAN, South Duxbury, Mass.

Farmer's Club Offer.

Money spent for books and papers is never thrown away. What do you want to read this year? Following is a good club list which will give you all the county, state and national news and also more good farm news than was ever offered for the price. For a limited time we will send THE CHIEF, giving all the county news; the Omaha Weekly Bee, giving all the state news; the Chicago Weekly Inter Ocean, giving all the national and foreign news; The Homestead, one of the best farm papers published; the Poultry Farmer, devoted to the interests of poultry exclusively; Special Farmers Institute Editions of the Homestead, devoted to discussions of various farm topics; Farmers Mutual Insurance Journal, a paper published in the interests of cooperative insurance among the farmers; and The Humane Alliance, a magazine devoted to the cause of humane education, the eight papers one year for the sum of \$2.25 cash in advance. This is as good and as cheap an offer ever made and will last only a limited time. The subscription price of these eight papers is \$6.80 per year, but we will, for a limited time, send them one year for \$2.25 cash in advance.

STATE CREEK

Gathering corn is the order of the day. Many fields yield considerable more than was expected.

Saying nothing about hard times and poor crops, see the improvements that have been made this year. There is Mrs. Hilton, John Wagoner, R. C. Wilson, Mr. Lukstrain, F. V. Scrivner with new residences, and O. A. Trovatt, Jas. Galus, Ed. Cooper and George Mounford new barns, all nearly in sight of each other.

Some land is changing hands. Mr. Davis sold an eighty at Pleasant Dale for \$500 to Mr. Sutherland. Mr. Smith bought an eighty of rough land for \$750. C. Stevens forty acres at \$8 per acre.

Jesse Sapp and wife of Cora visited on our creek last Sunday.

One of our friends says the state of Kansas is redeemed at last and that their candidate for judge and school superintendent were defeated in Smith county by about 100 votes.

Miss Cameron the popular school teacher at Mt. Hope is getting along nicely with her school.

Miss Potter is teaching near Lebanon and is liked real well. She spent last Sunday at home.

Small grain never looked better at this time of the year than now. It is all up nice and some of it fills the drill ridges. We surely will raise wheat and rye next year as there is lots sown.

Several men that thought formerly that this was no fruit country have changed their notions and have as high as \$50 deliveries this fall.

No more hunting allowed on our creek on the Scrivner, Fogel, Stevens and Fisher farms, so says a notice in THE CHIEF. Had the sign boards not been stolen in the night the notice would not have gone in the paper.

Ex-Judge Stone is up and around again and gone to the Center on a visit.

OCCASIONAL.

Alba Heywood who was attacked by an opera house manager in Texas and shot through the chest was not killed as reported by the press throughout the country at the time of the shooting. The difficulty which lead to the shooting arose over the manager of the opera house issuing more complimentary tickets than was mutually agreed upon, and when Mr. Heywood contended for a settlement according to contract the manager attacked him with a gun, striking him on the face and on the head. Heywood was wounded through the head.

fought for his life, shooting the manager four times—in the groin, head, side and chest. Neither man was killed, although the press reported both dead. We feel this statement is necessary, as many people still think Alba Heywood dead, and to them we wish to say that while he was seriously wounded and his life despaired of at first, he has fully recovered and is now on the road with a new and first class company. All who heard him two years ago will be pleased to hear of the success of an effort now being made to get this company here in the near future.

All our former readers should take advantage of the unprecedented clubbing offer we this year make, which includes, with this paper, The Iowa Homestead, its Special Farmers Institute editions, The Poultry Farmer, The Farmer's Mutual Insurance Journal and the Humane Alliance. The subscription price of these five publications amounts to \$2.80, while our paper is \$1, a total of \$3.80. We are prepared to send them all, including our own paper, to any farmer in this county for \$1.45, which is only 45c more than our own subscription price. Never before was so much superior reading matter, of the most practical and useful character offered for only \$1.45. The first four of the papers named are so well known throughout the west that but little need be said of them. They commend themselves to the readers favorable attention upon mere mention. The Humane Alliance is devoted to humane education and should be in every farmer's family, so that the boys and girls on the farm may early imbibe the principles of a broad humanity that shall include all God's creatures, and learn the wickedness and brutalizing tendency of cruelty of all kinds. Take advantage of this great offer.

Three soldier's went at our land's best, to fight for the girl their heart loved best, and over the heart as a regular fixture, each one carried his dear girl's picture. "I would stake my soul," said one man at night, "that my love is as true as the angels' bright." "And mine," said the second, "has sworn by all, that she'd die a nun if I chanced to fall." "And mine," cried the third as he took a part, "now stays at home with a broken heart." Then all three swore they were pearls of pearls, and brought out the pictures of their best girls. What made them swear as they turned away; what made them think 'twas a cold, cold day? Alas and alack, 'twas a burning shame for the dear girl's pictures were all the same.—Ex.

Many organs of the populist party in Nebraska are explaining diminution of the calamity vote at the recent election by stating that the populists were all so industriously at work in the fields and factories that they could not spare the time to attend the election. This is a queer excuse to be unanimously circulated by a press which for months has unanimously declared that the unemployed were all over Nebraska and that relatively very few citizens had anything to do. The paradoxes of populism are many, and this is one of the most stalwart.—The Conservative.

Deafness Cannot Be Cured
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

Chronic Dyspepsia Cured.

AFTER suffering for nearly thirty years from dyspepsia, Mrs. E. E. Dugdale, wife of a prominent business man of Warsaw, N. Y., writes: "For 23 years, I was a constant sufferer from dyspepsia and a weak stomach. The lightest food produced distress, causing severe pain and the formation of gas. No matter how careful of my diet I suffered agonizing pain after eating. I was treated by many physicians and tried numerous remedies without permanent help. Two years ago I began taking Dr. Miles' Nerve and Liver Pills and Nerve. Within a week I commenced improving, and persisting in the treatment I was soon able to eat what I liked, with no evil effects. I keep them at hand and a single dose dispels any old symptoms."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

The GRAMOPHONE
Most fascinating invention of the age. Always ready to entertain. It requires no skill to operate it and reproduces the music of bands, orchestras, vocalists or instrumental soloists. There is nothing like it for an evening's entertainment. Other so-called talking machines reproduce only records of cut-and-dried subjects, specially prepared in a laboratory, but the Gramophone is not limited to such performances. On the Gramophone you can easily make and instantly reproduce records of the voice, or any sound. Thus it constantly awakens new interest and its charm is ever fresh. The reproductions are clear and brilliant.
Graphophones are sold for \$10 and up. Manufactured under the patents of Bell, Talmey, Edison and Woodworth. Our establishment is headquarters of the world for Talking Machines and Talking Machine Supplies. Write for catalogue.
